### P & C NEWS

In 2016 the P&C raised significant funds to be put towards projects around the school.

A large portion of these funds were raised at the P&C Garden Day initiated and hosted by **Allie Steber** and **Rachel Luers** who are to be commended for their efforts - thank you very much.

Another successful fundraising initiative last year were the fabulous school tea towels that were kindly organised by **Gemma Moylan** - thank you for your time and effort put into this project and thanks to your assistant **Jane Ryan**.

There are always many people behind the scenes that help with all of the fundraising ventures and our thanks go to you all.

#### Thank you

Thank you to the outgoing 2016 committee - **John Hammond** as President, **Paul Brown** as Vice President, **Sallyann Silver** as Secretary and **Mary Butt** as Uniform Coordinator. Your

dedication and generous giving of your time has not gone unnoticed or unappreciated - we have big boots to fill in 2017!

#### P & C Meetings

If you would like to be more involved in the school, please come along to the P&C meetings which are a forum for parent discussion pertaining to the school community.

Your involvement in turn, will promote and support communication and cooperation within the school community for the benefit of the students - our children.

We would love to hear your ideas and suggestions!

#### Classroom Representatives

Thank you to the Classroom representatives who nominated to assist our school in 2017.

We have recently invited the Classroom Representatives to our next P&C meeting and look forward to working with them this year!

Whilst we love to see new faces we understand why sometimes you are unable to make the meetings. Your classroom representative may be a person you might like to share ideas with or gain some information from.

2017 P&C COMMITTEE

# NATURE PLAY AREA

The school's Grounds Committee last year planned an area on the eastern side of the school to become a nature play area.

This so far has been a huge success with the students enjoying making cubbies and climbing on the rocks and logs.

## THANK YOU

Thank you to **Jason Stevens** for ground works completed in the area and removal of the old school sign.

Thank you to the **Innes/Giles family** for the large 'boulders' and sand delivered, also to the **Moylan family** for their assistance in unloading and moving them into place.

## TREE BRANCHES

The students have reported that there are not enough branches to

make into cubbies, if you can help with this please contact Sandra or Michael at the school.

## CREEK SAND

If anyone has some nice creek sand to deliver it would also be appreciated.

If you would like to join or assist the Grounds Committee please contact Sandra at the school office. The next meeting will be Week 2 of Term 2.

## GROUNDS COMMITTEE:

Rochelle Giles (P&C)  
Gemma Moylan (P&C)  
Lee'Anne Innes  
Kathy Lamplugh  
Michael Rothwell  
Sandra Doncon  
Greg Hunt

# WESTERN PLAYGROUND SWINGS

The western playground swing sets purchased by the P & C have been installed at the end of 2016.

**Thank you** to Paul Brown for coordinating the installation, **Wongan Hills Concreting** for the cement, **Noel Lawrence (NM Trailers)** for drilling the holes ready for cement. Also to **Michael Rothwell** our school grounds manager for assisting.

The swings have been a popular addition to the school playground for the students who regularly have to wait their turn.

Thank you to everyone that have contributed towards this project!

## UNDERCOVER AREA UPGRADE

The Undercover Area upgrade has been a successful P&C project, the painting of the area coordinated by the school was completed over the January holiday break.

**Thank you** to **Robbie Silver** & **Jason Clarke** for high pressure cleaning the area for the contractors to commence their work. This task was undertaken on an **extremely hot day** and we appreciate their time!

The contractors managed to complete the work during some wet weather, thanks to our school **Grounds Manager** and **Cleaners** preventing the area from flooding after a downpour!

## P&C SUNDOWNER

The Sundowner was the first official event hosted by the P&C for 2017 and organized by the outgoing committee.

Unfortunately this was not as well attended as the previous year however it is a very valuable opportunity for parents to meet new teachers and greet our existing staff team in a social setting. Our children also enjoy this event as they are able to engage with others outside of school hours. The P&C look forward to planning a more successful event in 2018, if you have any ideas please bring them along to our meeting.

Thank you to our school staff for making themselves available for this event, it was great to see you!

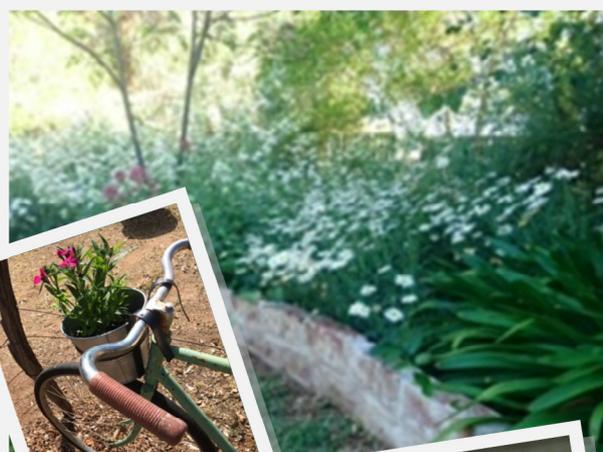

### AGM

Following the Sundowner the P&C AGM was held and we believe the attendance was higher due to being held on the same evening.

## P & C UNIFORMS

Our uniform coordinator – Donna Stevens will be at the school every **Monday morning - 8.30am to 8.45am**. Uniform order forms are available from the school office and paid orders may be left there for orders to be filled. Completed orders will be sent home with your child.

# 2016 Garden Day

The 2016 Garden Day generously hosted by **Rachel Luers** and **Allie Steber** was a huge success raising \$4,517.55 for the Kellerberrin P & C.

The day commenced at 'Mindebooka' where Morning tea was served whilst enjoying Allie's delightful cottage garden. Thank you to all our parents who supplied a wonderful spread for morning tea and their donations towards the raffles.

'Passenger Platform' (Allie & Rachel) catered for the fabulous lunch served in Rachel's lovely garden with views of Baandee Lake.

During the afternoon visitors were able to view and purchase from the stalls, we thank the stall holders for their support.

Thank you to Joanne Hill from Sports Power Northam for providing a fashion parade and stall at the event for all to enjoy.

Thank you to Linda Taylor and the Kellerberrin Farmers Coop for organizing the lovely Champagne and Wine for the day.

This day would not have gone ahead without the generosity of Rachel and Allie! You are both very inspiring ladies, such beautiful gardens for us all to enjoy and an opportunity to taste your culinary expertise! Your efforts are very much appreciated!
