YOUR GUIDE TO THE SCHOOL NEWS, INFORMATION AND EVENTS

## WELCOME BACK FOR TERM 3

I would like to welcome all students and families to term 3, including our new students and families who have joined us for the beginning of term – welcome to Kellerberrin DHS.

As we enter our third term it is wonderful to see a willingness from our students to settle straight back into school routines and one can feel the sense of anticipation for the term ahead. The holiday clearly did the trick!

This term promises to be exciting, with highlights including class assemblies, Cross Country & Colour Explosion Run, Athletics Carnival, Interschool Cross Country and Athletics, Learning Journey as well as all of our classroom learning.

I look forward to sharing a fabulous term with the students, staff and school community.

### VALE MRS LAMPLUGH

We remember with great fondness the impact that Mrs Kathryn Lamplugh had on all of us here at Kellerberrin District High School. Mrs Lamplugh was a long standing member of staff who commenced her teaching career here in 1978. Mrs Lamplugh had an amazing ability to dazzle us with her extensive vocabulary and impart her brilliant knowledge of the English language with her students. Our thoughts are with David, family and friends at this sad time.

Kind regards

*Tish Clarke*

*Acting Principal*

## From the Regional Executive Director

### Kellerberrin DHS Principal Position

As you may be aware, Mr Greg Hunt is no longer the principal of Kellerberrin DHS. The principal position will be advertised shortly, to fill on a permanent basis from the start of term 4. The School Board Chair, Mr Paul Brown will be a member of this selection panel which will also include another IPS principal, and I.

I am in the process of appointing a deputy principal, who will commence in the next few weeks and remain in the position whilst Mrs Clarke is in the principal position. A deputy will be brought in from outside the school, so as to provide minimum disruption to students in classrooms.

Whilst the selection process is undertaken, I have asked Mrs Tish Clarke to be the principal. Mrs Clarke has a very good knowledge of the staff, the students and also the school's implementation of the improvement strategies from the 2016 Expert Review Group (ERG) review. The school staff will continue to work together to address the findings and I am confident that they will continue to make good progress.
