YOUR GUIDE TO THE SCHOOL NEWS, INFORMATION AND EVENTS

Learning Journey 2021

What a fantastic time we all had at Learning Journey Night. We had an amazing night where our parents, carers, family members and friends learned about what the students are doing in their classrooms. It was a heart-warming event, highlighting the importance of our 'Connected Community.'

Thank you for supporting our Learning Journey Night, we hope you enjoyed it.

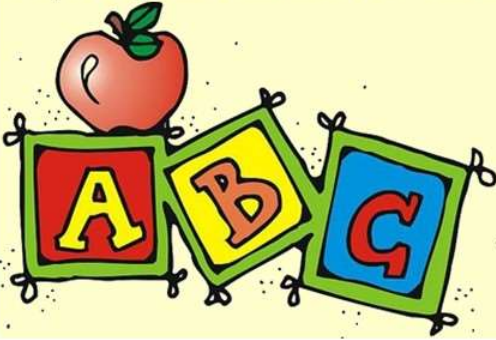

Learning Journey 2021

KINDY TRANSITION

We're excited to welcome our 2022 Kindy class to school next term as they embark on their transition program. Our new learners will be joining us on Friday mornings commencing on the 15th October. During the transition program they will build relationships with the staff and their new classmates and learn about school routines. This is a really exciting time for our littlest learners and their families.

THANK YOU

to the
Kellerberrin Mens Shed

For repairing the large outdoor Connect Four game for our students. Your help is very much appreciated!

ADMIN UPDATE

Kaya!

This is the last newsletter for term three and one that I write with gratitude. We have had a busy term full of opportunities for all learners to shine. There's no rest in Week Ten, as we finish the term on a high with Learning Journey, a visiting author incursion and Silent Disco rewards day.

I walked around the school at Learning Journey on Wednesday, watching learners, staff and families interact and seeing the pride on the students' faces as they took their special people on a *learning journey*. The feeling is hard to explain – but too good not to acknowledge. I appreciated the sense of openness that was evident during our Learning Journey evening. Open spaces, open conversations and open hearts. This openness is driven by three facets of our school community – our staff, our families and our students.

To our staff, thank you for designing and delivering programs that support the success of all learners. The classroom displays are a testament to your commitment and belief in our learners. Thank you to our families for being our invaluable allies; we cannot accomplish all that we need to do without working together. When we work together, magic happens!

To our learners; this term you have continued to show that you seek challenge, are mindful, adaptable and curious. The work you chose to display for your special guests on Wednesday was just fabulous and clearly demonstrated the *learning journey* you have been on this year.

I would like to wish all of our learners, staff and families a safe and enjoyable school holiday period. May you take the time to rest and recharge and come back to school on Tuesday 12th October ready for an amazing fourth term.

Interschool Athletics Carnival

Friday the 17th of September saw our Interschool athletics team travel to Merredin. The weather was perfect as was the team work, participation and effort displayed by all our athletes. We were lucky to witness some outstanding individual and team performances on the day. The behaviour, encouragement and engagement of all team members was outstanding and it pleasure to be a part of such a fabulous day.

We would like to thank all the athletes, families and supporters who attended on the day and helped make the day awesome.

- Alyssa Dobra** **Year 5-6 Champion Girl**
- Tiarna McIntosh** **Year 9 Champion Girl**
- Liam Askew** **Year 4 Runner Up**

Faction Athletics Carnival

Our faction carnivals traditionally are warm sunny spring days where we find ourselves slip, slop and slapping on sunscreen but this year the weather was a complete flip! Congratulations to our learners for giving their best on a day that was like we had landed in Antarctica.

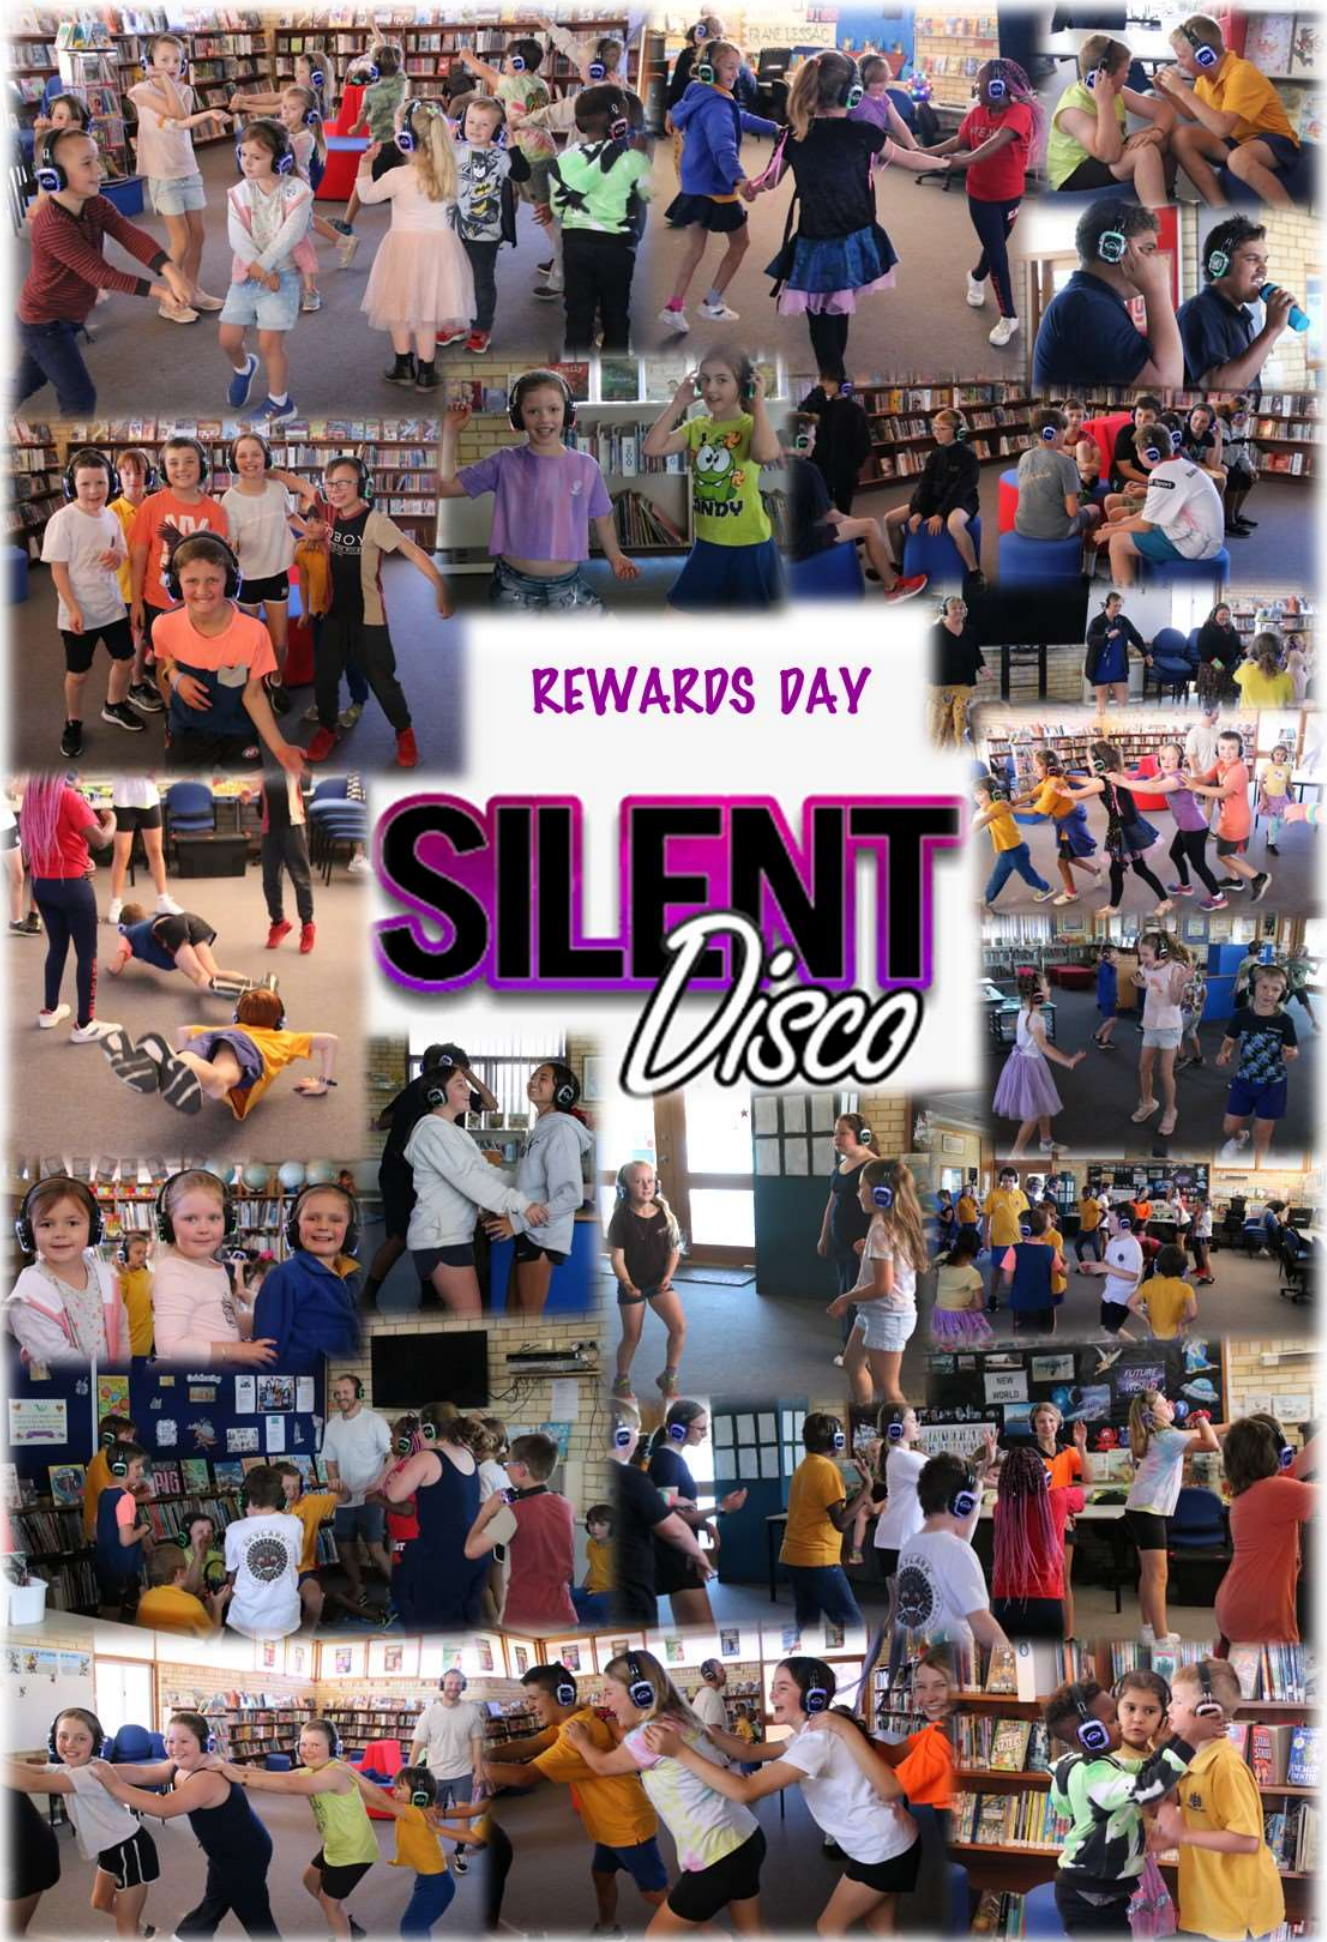

Thank you to all the families for your support on the day and the P&C team for their continued support and scrumptious lunch orders on a day when we all needed something warm in our tummies.

Fight Cancer™
**FOOTY
 COLOURS
 DAY!**

The Student Leadership Team would like to thank everyone for joining in the fun of Footy Colours Day. It was awesome to see all the different teams and sport codes being well represented. We raised funds for the Fight Cancer Foundation. Thank you all for your support.
