Principal  
Kellerberrin District High School  
54 James Street  
KELLERBERRIN WA 6410

Dear Tish

I am pleased to advise that the Public School Review of Kellerberrin District High School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2028.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

I also note your strategic leadership of a professional and high performing team culture. The review team highlighted that school leaders' expectations influence team dynamics and individual development at Kellerberrin District High School, and high standards of communication, initiative, problem solving and integrity foster a culture of high expectations and accountability. You are to be commended for your leadership of such a culture.

Your consistently high performance across the National Assessment Program – Literacy and Numeracy (NAPLAN) testing areas must also be acknowledged. It too is a testament to the success of the team culture you have created, and you are successfully maintaining at Kellerberrin District High School.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
